Ref. docket #97N-0511

We understand this is to due with changing our regular orange juice to pasturize, which will make it worst! Not everyone can drink the stuff after all the chemicals, etc. that are added to it. Where we can drink the old fashion, regular orange juice with no problems! Please take in concern us people who have allergies to different chemical & have to watch everything we eat or drink. It isn't fair to add more problems to us by changing over

a natural project/thing like our
orange juice.

Orange juice is a natural juice!
We vote no to this change!

Sincerely
Mr. & Mrs.
Ben Collige
